Let me introduce myself: I'm Dragomir Milinkovi Clauss, I'm Italian .

My basic occupation is Film, Cinematography, Photography, Editing and Directing.

I am currently also Editor in Chief and Art Director for the international magazine Project ONE

Graduated from the Faculty of Dramatic Arts

as Cinematographer(Director of Photography)

Since 1997, I have been working professionally as a Producer,

Director, Director of photography and Fashion Photographer

for various magazines, marketing agencies and film productions. I have also created numerous TV

commercials, jingles and music videos,

as well as several Award-winning documentaries. Expert in underwater shooting

I'm able to shoot on:

ARRI Alexa, Alexsa Mini, PHANTOM Flex, All Sony, All Nikon, All Canon cameras. Good knowledge of using the DRONE Mavic 2 pro. And all so very practical in Editing videos and on Premiere pro
Very practical in editing photos in PhotoShop

A lively and enthusiastic team player that can also work well on own initiative with excellent interpersonal skills. Working to a very high standard, meeting deadlines often under pressure. Providing an efficient and effective service and can also communicate at all levels. Currently based in Athens, I cover Italy, Greece and Serbia with my work, but used to a Worldwide projects with a capacity to meet even a long distance, most demanding destinations as an advert, fashion, music and sports clips, etc.
